

High density 5000 mAh powerbank

SKU: TEBB5000HDK

With its ultra-slim design, this powerbank fits easily into a small bag

Slim and compact: carry all the power your device needs in your pocket

This 5000 mAh **powerbank** is high density, meaning it is smaller than the standard size with the same capacity. Thus, you have an external battery **that is extremely compact but still very efficient**. It measures only 6.2x7x1.3 cm, so you can easily fit it inside a **small bag** or **shirt pocket** to take it anywhere, **even aboard a plane**. Charge **any tablet, smartphone, TWS earphones, smartwatch, e-reader, speakers and many other devices**.

10-watt USB-C port

On the side of the power bank, you will find a **USB-C port** that serves **both for charging it** when flat via the cable (included), **and for powering a device**. The **10 watts** of power generated allow for rapid **charging**. The **status LEDs** indicate how much power is left in the powerbank.

Reliable safe charging thanks to Intelligent Charge technology (IC)

Intelligent Charge (IC) technology allows the powerbank to 'talk' to the charging device to understand how much power it needs and adjust accordingly. This special system ensures safe charging **without overheating or short circuits**.

Key features:

- Capacity: 5000 mAh
- size: 6.2x7x1.3 cm
- high density: ultra slim and compact
- power supplied: 10 Watts
- Intelligent Charge technology (IC)
- USB-C port
- 4 status LEDs
- may also be used aboard aircraft
- ready to use immediately upon purchase

Includes:

- USB-A - USB-C charging cable

- instruction manual

High density 5000 mAh powerbank
SKU: TEBB5000HDK

Technical data

SKU: TEBB5000HDK
Weight: 98 g
Battery capacity: 5000 mAh
Recharging cable: USB - Type C
EAN: 8018417467219
LED: 3 for status
GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to Battery Regulation 2023/1542/EU, Item subject to CE marking, Packaging of the item subject to the "Green Dot" recycling system, The item packaging is recyclable, Item subject to UKCA marking
Color: black
Input: 5V D.C. 2.1A
Output: 5 VDC 2.1A
Battery: 5000 mAh
Connector: 1xUSB-C
Technology: Intelligent Charge
Connector 1: 1xUSB-C
Included accessories: User manual, Charging cable
