SBS 5000 mAh Power Bank – Ultra-Compact and High-Density Design

SKU: TEBB5000HDLCDK

Impressive power in a very small format: maximum efficiency with a High-Density design.

High Density, maximum efficiency

The **SBS 5000 mAh High Density Power Bank** offers all the power of a standard external battery in a much **smaller and lighter** format. Its **high efficiency in a compact package** makes it perfect for people who want to travel light.

Ultra-compact design and complete portability

As compact as a wallet, it measures just **6.2 x 7 x 1.3 cm**, and fits easily into your pocket or purse — great for flying.

Safe and smart charging

Equipped with **Intelligent Charge (IC)** technology, it communicates with your devices to deliver the right power, avoiding overheating and short-circuiting. The **Power Bank** is also equipped with a **10 W USB-C** port for quick charging.

Versatile and ready to use

Compatible with smartphones, tablets, e-readers, smartwatches, speakers and TWS earphones: it's a little powerhouse. It is ready to use straight out of the package and, thanks to its pocket-sized format, perfect to take with you anywhere.

Main features:

- **High Density**: the same power in a more compact and lighter format.
- **5000 mAh capacity**: a full charge for smartphones and mobile devices.
- **Ultra-compact design**: 6.2 x 7 x 1.3 cm, perfect for carrying in your pocket or bag.
- **Intelligent Charging (IC)**: always delivers the optimal power for your device.
- **10W USB-C port**: fast and safe charging.
- **Universal compatibility**: smartphones, tablets, e-readers, smartwatches, speakers and TWS earphones.
- **Ready to use**: get charging as soon as you take it out of the packaging.
- **Eco-friendly**: sustainable packaging.
