Ultra-compact wireless 5,000 mAh power bank

SKU: TEBB5000HDMAG

The external battery that keeps your devices charged at all times even when you are away from home

Easily take it with you wherever you go, even on the plane!

The **5,000mAh power bank** is small and powerful. It is very small (6 x 8 x 1.5 centimetres) and suitable for storing in a handbag, bum bag, purse, backpack or clutch bag. This power bank can also be taken on a plane with peace of mind.

Wireless and MagSafe compatible: perfect for iPhone and Android

The **5,000mAh power bank** allows you to charge your phone when you're walking down the street, at work or in the car and you don't have a power source to hand. The **flat surface** allows you to charge a **wireless**-enabled **Android smartphone**. Place your device on top of it and **15W** charging starts automatically. With its built-in magnet, it's perfect for **iPhones with MagSafe charging**: as you move your Apple phone closer to the base, it will **magnetically attach** to the phone's body.

Automatic Detection System (ADS) technology: secure wireless charging

The 5,000 mAh powerbank provides fast and secure wireless charging. **Transmits power taking into account the maximum needs of the phone being charged**. This is particularly useful for iPhones, which often require less power, to keep them safe from short circuits and overheating.

USB-C port charges ultra-fast and reliably

The built-in Type C port has a dual purpose: you can use it to **charge the power bank** using the **cable supplied** or to **power an additional device** using a cable with a USB-C connector. This port charges at 20 watts, and thanks to the **Power Delivery (PD) technology**, it does so in a fully reliable way. So you can power a MagSafe iPhone with wireless charging and, **at the same time,** a pair of earphones.

Key features:

- Capacity: 5,000 mAh
- Dimensions: 61.7 x 79.3 x 1.5 mm
- wireless
- power: up to 15 Watts
- compatible with MagSafe charging
- Automatic Detection System technology (ADS)
- USB-C input/output port

- you can charge two devices simultaneously
- USB-C port power: up to 20W
- Power Delivery (PD) technology
- Status LED

Contents include:

- USB-A - USB-C charging cable
- instruction manual

Ultra-compact wireless 5,000 mAh power bank
SKU: TEBB5000HDMAG

Technical data

EAN: 8018417487484
SKU: TEBB5000HDMAG
GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to Battery Regulation 2023/1542/EU, Item subject to CE marking, Packaging of the item subject to the "Green Dot" recycling system, The item packaging is recyclable, Item subject to UKCA marking
Color: white
Net Depth: 1.5000 cm
Input: 5V D.C. 3A/ 9V D.C. 2A /12V D.C. 1.5A
Net Width: 6.2000 cm
Net Height: 7.9000 cm
Output: 5V D.C. 2.4A/9V D.C. 2.22A/12V D.C. 1.67A (PD 20W)
Weight: 165 g
: 85076000
Battery: 5000 mAh
Connector: 1xUSB-C
Technology: Automatic Detection System (ADS), Compatible with MagSafe, Power Delivery (PD)
Connector 1: 1xUSB-C
Charging type: Power Delivery 20W, Wireless Charge
Wireless Output: 15W
Battery capacity: 5000 mAh
Recharging cable: USB - Type C
Included accessories: User manual, Charging cable
Maximum output power: 20 W
