5000 mAh power bank compatible with MagSafe

SKU: TEBB5000MAGSLIM

The battery pack comes with wireless charging and a USB-C port to charge all your devices

Wireless and MagSafe compatible: perfect for iPhone and Android

The **5000mAh power bank** allows you to charge your phone when you're walking down the street, at work or in the car and you don't have a power source to hand. The **flat surface** allows you to charge an **Android smartphone** enabled **wireless**. Place your device on top of it and **15W** charging starts automatically. With its built-in magnet, it's perfect for **iPhones with MagSafe** charging: as you move your Apple phone closer to the base, it will **magnetically attach** to the phone's body.

Automatic Detection System (ADS) technology: secure wireless charging

The 5000 mAh battery pack provides fast and secure wireless charging. **Transmits power taking into account the maximum needs of the phone being charged**. This is particularly useful for iPhones, which often require less power, to keep them safe from short circuits and overheating.

USB-C port charges ultra-fast and securely

The built-in Type C port has a dual purpose: you can use it to charge the **power bank** using the supplied **cable** or to **power an additional device** using a cable with a USB-C connector. This port charges at 20 watts, and thanks to the **Power Delivery (PD) technology**, it does so in a completely safe way. So you can power a MagSafe iPhone with wireless charging and, **at the same time,** a pair of earphones.

Robust and compact

It's compact and very **slim**: you can easily store it in your pocket, rucksack or handbag. It's also **very light**, so when attached to an iPhone it will not weigh it down too much. It's made from **high-quality aluminium** which also makes it very durable.

Key features:

- Capacity: 5,000 mAh
- wireless
- Wireless power: up to 15W
- MagSafe compatible
- Automatic Detection System technology (ADS)
- USB-C input/output port
- you can charge two devices simultaneously
- USB-C port power: up to 20W

- Power Delivery (PD) technology
- compact and slim
- made in aluminium
- Status LED

Contents include:

- USB-A - USB-C charging cable
- instruction manual

5000 mAh power bank compatible with MagSafe
SKU: TEBB5000MAGSLIM

Technical data

EAN: 8018417452321
SKU: TEBB5000MAGSLIM
GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to Battery Regulation 2023/1542/EU, Item subject to CE marking, Packaging of the item subject to the "Green Dot" recycling system, The item packaging is recyclable, Item subject to UKCA marking
Color: gray
Net Depth: 0.9000 cm
Input: 5V D.C. 3A/ 9V D.C. 2A /12V D.C. 1.5A
Net Width: 6.5000 cm
Net Height: 9.6000 cm
Output: 20W Max
Weight: 175 g
: 85076000
Battery: 5000 mAh
Connector: 1xUSB-C
Technology: Compatible with MagSafe
Connector 1: 1xUSB-C
Charging type: Wireless Charge
Wireless Output: 15W
Battery capacity: 5000 mAh
Recharging cable: USB - Type C
Included accessories: Charging cable, User manual
Maximum output power: 20 W
