

SBS 10,000 mAh High-Density Power Bank - compact with USB-C and USB-A ports

SKU: TEBBCT10000LDK

Compact, powerful and intelligent: fast, safe charging always at your fingertips.

SBS 10,000 mAh High-Density Power Bank – Compact and Reliable

The **SBS 10,000mAh Power Bank** is the ideal choice for anyone looking for a technological accessory that combines **high capacity** and **maximum portability**. Thanks to **High-Density** technology, it packs high power into a slim, lightweight body, perfect for travel, work and everyday use.

High Density: more energy in less space

High-Density technology gives you more power in a compact format, reducing the size without sacrificing autonomy. Compared to traditional power banks, it offers a better capacity-to-size ratio.

Dual ports and convenient charging

Featuring a **USB-C** and a **USB-A port**, this power bank allows you to charge two devices at the same time. In addition, it **recharges easily via the USB-C port**, making the user experience even more practical.

Cable included

There is a **USB-C/USB-A cable** in the pack, so you can start charging your devices right away without the need for additional accessories.

Integrated safety

Protection systems against **power surges, short circuits and overheating** ensure safe charging for your devices, always intelligently delivering the necessary energy.

Main features:

- **Capacity 10,000 mAh**: full charge for smartphones and other devices.
- **High-Density Technology**: more power in a compact format.
- **Double USB-C + USB-A ports**: charge two devices simultaneously.
- **Type-C input**: the power bank charges via a USB-C port.
- **Cable included**: USB-C/USB-A in the pack.
- **Universal compatibility**: smartphones, tablets, e-readers, smartwatches and accessories.

- **Safety guaranteed:** protection against power surges, short circuits and overheating.

SKU: TEBBCT10000LDK

Technical data

SKU: TEBBCT10000LDK

Weight: 200 g

Battery capacity: 10000 mAh

Recharging cable: USB - Type C

EAN: 8018417521041

GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to Battery Regulation 2023/1542/EU, Item subject to CE marking, Packaging of the item subject to the "Green Dot" recycling system, The item packaging is recyclable, Item subject to UKCA marking

Color: black

Input: 5V D.C. 2,1A (10W)

Output: 5 VDC 2.1A

Battery: Lithium polymer battery

Connector: 1xUSB-A, 1xUSB-C

Technology: Intelligent Charge
