

Type-C cable with 90 ° connectors

SKU: TECABLE90TCK

Cable for charging and data transfer with metal connectors at an angle of 90°; 100 cm length, black colour

This **Type-C cable** is unique among accessories of its kind.

Thanks to this product, you can recharge and transfer data between devices such as smartphones and tablets. The product's metal connectors have a **90 ° angle** that renders them suitable in any situation.

The 1 metre long cable is designed for those who like maximum convenience not only when charging or synchronizing their devices. **Gaming** enthusiasts, for example, will be able to have fun without hindrance.

The product is really very **simple** to use: connect the Type-C connector to your smartphone or tablet, and the USB end to another device such as a PC or a charger equipped with this input.

A **practical and innovative** accessory for playing without thinking about flat batteries.

Features:

- Charging cable
- Data transfer and synchronization
- Connectors: Type-C and USB 2.0 with 90 ° angle
- Cable length: 100 cm
