Flat charging cable with Lightning connector

SKU: TECABLELIGFLATP

A 150 cm long cable with USB and Lightning MFI connectors for charging and data transfer, pink color

The advantage of a flat charging cable is that you won't be likely to find it tangled up in your bag or briefcase. This USB and Lightning cable is therefore ideal people like you want to reload and transfer data at any time.
In fact, this colourful cable allows you to synchronise and transfer data, photos and music from your PC to your smartphone or your tablet and vice versa.

Features:

- Length: 150 cm
- USB and Lightning connectors
- Charging and data transfer functions
