

Power and data cable USB - Lightning with key chain

SKU: TECABLELIGPORTW

Data/Charge cable lightning MFI with key chain function

iPhones and iPads are used increasingly often, and there's always a chance you will leave your charger at home when you are travelling for business or fun. However, thanks to this original key chain from SBS, keeping the batteries of your devices charged up will no longer be a problem! It comes equipped with a lightning output for iPhones, iPads and iPods, along with a handy key chain, and can be used both to charge devices and transfer data.

Features:

- USB / Lightning output
- White colour
- Key chain function

Power and data cable USB - Lightning with key chain
