

Lux Type-C Cable

SKU: TECABLELUXTYPCG

Cable for charging and data transfer with USB and Type-C connectors, metal coating, length 1m

The **Lux Cable** with USB 2.0 and Type-C connectors is designed for anyone needing to recharge their smartphone or tablet or transfer data. The Lux cable is **metal coated** for its full 1 meter length. This finish prevents the problematic formation of knots and twists and gives it a modern and stylish look. You can use this USB-Type-C cable to charge an **smartphone** or **tablet** simply by connecting it to a charger or to a PC with a USB port.

Lux also allows you to transfer and synchronize data and images quickly between your devices: simply connect the USB 2.0 connector to the PC and the Type-C to your devices.

Features:

- Length: 1m
- Connectors: USB 2.0 and Type-C
- Metal connectors
- Metallic finish
- Cable for charging and transferring data and images
- **Anti-tangle**
