60W USB-C Charging and Data Cable with Stand Function, Rotating Connectors and Braided Covering 1 m

SKU: TECABLETCCSTAND

Play or watch content even while charging your smartphone

STAND FUNCTION FOR CHARGING AND WATCHING VIDEOS

The **60W USB-C cable with stand function** combines charging, data transfer and smartphone support in a single accessory. The foldable arms can rotate 360°, allowing you to place your connected device horizontally in **landscape mode** or keep your phone upright using the **integrated stand support**: you can comfortably watch videos or join video calls even while your phone is charging. The **1-metre** length ensures practical cable management on your desk, bedside table or gaming station.

DON'T INTERRUPT YOUR GAMING SESSIONS

You no longer need to stop gaming just because your smartphone battery is low: the USB-C connector is designed to naturally fit the edge of your device when held horizontally, ensuring a comfortable grip and smooth use even while the device is connected to the cable.

DUAL CHARGING AND DATA FUNCTION

In addition to charging, this USB-C cable also supports data transfer and synchronisation. The **USB-C 2.0** connector enables transfer speeds of up to **480 Mbit/s**: use it to connect your smartphone to your laptop while simultaneously charging and syncing files, images and documents.

DURABLE CONNECTORS AND BRAIDED DESIGN

The **braided finish** offers a pleasant and soft-touch feel, while the reinforced nylon covering and durable **USB-C connectors** make this cable ideal even for frequent use. With power delivery up to **60W**, the cable with stand function is perfect for everyday charging of all your compatible USB-C devices, from smartphones to tablets.

KEY FEATURES

- Integrated stand function
- 60W USB-C cable
- Charging and data transfer up to 480 Mbit/s
- Durable braided cable
- 360° rotating foldable stand

WHAT'S INCLUDED
