USB-A - Lightning fabric cable with cable clip, 1.5 metres

SKU: TECABLETISSUEIP589G

This Made For iPhone cable is ideal for recharging your Apple devices with Lightning port

For easy charging and data transfer

The **fabric cable** lets you **recharge** your devices with a compatible port by connecting them to a mains charger or power bank. By connecting a smartphone, tablet, e-reader to a PC, laptop or MacBook**, you can transfer music, video, documents** and other files. As you transfer data, **the device will simultaneously recharge** .

Certified Made For iPhone (MFI): Your Apple device is in safe hands

Made For Apple certification ensures that **the manufacturing and performance standards required by Apple**are met.Recharge your iPhone, iPad, iPod with Lightning port and transfer data, always **completely secure** .

Anti-tangle and with cable stop: always ready and always tidy

If you've been looking for a cable that's always tidy, look no further. This cable has **anti-tangle finish** : knots and tangles will no longer be a problem. What's more, with its **cable tie with velcro closure** it will always be perfectly tidy and ready for use. Store it in a backpack or handbag with complete peace of mind.

The fibre-covering makes it resistant and soft to the touch.

The **USB-A Lightning cable** is fabric-covered. This feature distinguishes it from standard cables as it is soft-to-the-touch. This cable is not only useful but also **pleasant to use** .
