

Polo Collection Lightning data cable and charger

SKU: TECABLPOLOLIGB

1m long Polo Collection cable, with USB and Lightning connectors for charging and data transfer, blue color

The **Polo USB 2.0 and Lightning connector cable** is the ideal product for transferring your data and charging your devices quickly and easily.

The Lightning connector is **universal** for for iPhone and iPad. Simply insert it into the dedicated port and connect the USB to other devices to power your device or synchronize data such as pictures and music.

This cable has a length of 1m and is **covered in silicone**. This particular finish ensures a high degree of protection and avoids the formation of tangles, kinks, and twists that prevent the cable from working quickly and easily.

The **silk touch effect** gives this Lightning cable a smooth, tactile feel. It should always be kept on hand, to fill a multitude of needs.
