

## Made In Europe Cover with 20% recycled materials for iPhone 16 Pro

SKU: TECOVEUIP1661PT

**This eco-friendly transparent case will perfectly protect the body of your mobile phone and help protect the environment!**

### Eco-Friendly cover: make a sustainable choice

There **Re-Skinny transparent cover** represents a conscious choice for those who wish to protect their **iPhone 16 Pro** without compromising the environment. Made with the **20% recycled material**, this eco-friendly cover uses high-quality TPU, proving that sustainability and durability can come hand in hand. Our commitment to the environment is reflected in every aspect of production, ensuring that you can make an eco-friendly choice without sacrificing style and protection.

### Quality Made in Europe

Each Re-Skinny cover is **produced entirely in Europe**, specifically in the Czech Republic. Our European manufacturing process ensures not only excellent quality, but also a **reduced environmental impact** thanks to a controlled supply chain.

### Wireless recharging capability

Practicality is one of the stand-out features of the Re-Skinny cases. Thanks to its **wireless charging compatibility**, you won't have to remove it to charge your smartphone. This feature allows you to keep your device protected at all times, without compromising the convenience of wireless charging.

### Transparent and thin protection

The transparency of the Re-Skinny cover allows you to show off the original design of your smartphone, while effectively protecting it from **scratches and bumps**. Despite its thinness, the cover offers reliable protection for the body of the device, **leaving the screen and cameras free** for unobstructed use.

### Features of this cover:

- Made from 20% recycled material and TPU
- Made In Europe: produced entirely in the Czech Republic
- Compatible with wireless charging: no need to remove it to charge your smartphone
- Transparent and protective, leaving the screen and cameras unobstructed
