

MagSafe compatible magnetic case with shockproof corners for iPhone 17

SKU: TECOVMATIP1763P

Precise and durable magnetic protection every day

ADVANCED MAGNETIC PROTECTION FOR IPHONE 17

The **Block magnetic cover for iPhone 17** guarantees complete protection. With its **built-in magnetic module**, it ensures precise alignment with **MagSafe** accessories, making it ideal for everyday use with compatible chargers and mounts.

WIRELESS CHARGING WITHOUT REMOVING THE COVER

This cover is compatible with the **MagSafe wireless charger** and allows you to power your smartphone without the need to remove it. Perfect for use in the office, at home or on the go, it ensures a stable connection with charging docks and magnetic accessories.

RESISTANT MATERIALS AND SHOCKPROOF CORNERS

Made in **TPU + PC**, the cover combines flexibility and durability to provide effective protection against bumps and scratches. The **reinforced shockproof corners** enhance the device's safety in case of accidental falls, providing reliable protection in every situation.
