

10W Car Charger with Wireless FM Audio Connection and Dual USB-A Ports

SKU: TECRFM2USB21A

Listen to your favourite music and charge your smartphone while driving

LISTEN TO YOUR FAVOURITE MUSIC ON THE GO WITH THE WIRELESS FM AUDIO CONNECTION

The **10W FM car charger** lets you stream audio from your smartphone directly through your car stereo using a **wireless FM connection**. Simply plug the charger into your car's cigarette lighter socket and select a compatible FM frequency between **87.5 and 108.0 MHz** to enjoy music and other audio content on every journey.

UP TO 10W OF POWER AND DUAL USB-A PORTS

The two **USB-A ports** let you charge smartphones, tablets, smartwatches and TWS earbuds directly from the cigarette lighter socket. With a maximum power output of **10W**, this car charger provides a convenient way to keep your essential accessories charged during everyday journeys.

BUILT-IN MICROPHONE AND TF CARD FILE PLAYBACK

The **built-in microphone** makes it easy to answer voice calls in the car. The integrated buttons let you manage incoming calls and control music playback, switching to the previous or next track with a single touch.

The device also supports file playback from **TF cards of up to 32GB**, giving you more ways to listen to music, podcasts and content stored on external memory.

WHAT SETS IT APART

- Wireless FM audio connection
- Total power output of 10W
- Dual USB-A ports
- Built-in microphone for voice calls
- TF card slot supporting up to 32GB
- Integrated buttons for managing calls and music
