

20W Car Charger with Wireless FM Audio Connection, One Power Delivery USB-C Port and Two USB-A Ports

SKU: TECRFMPD20W

One accessory to charge your devices and listen to music, podcasts and audiobooks on the go

20W POWER DELIVERY CHARGING FOR SMARTPHONES, TABLETS AND ACCESSORIES

The **20W FM car charger** is designed to keep your devices powered during every journey. The **USB-C port with 20W Power Delivery** supports fast charging for compatible smartphones, tablets and other devices, while the **USB-A ports** can also power TWS earbuds, smartwatches and everyday accessories. Power Delivery technology ensures fast and safe charging, allowing you to use a single USB-C port for different devices without risk, as the power supplied is automatically adjusted to suit the connected compatible device.

WIRELESS FM AUDIO CONNECTION TO UPGRADE YOUR CAR STEREO

The **wireless FM audio connection** lets you listen to music, podcasts and other audio content directly through your car's audio system. Simply plug the charger into the 12V socket and select a frequency between **87.5 and 108.0 MHz**. It is a practical way to add wireless audio functionality even to cars equipped with more basic multimedia systems.

BUILT-IN MICROPHONE AND PLAYBACK FROM USB FLASH DRIVES

The **built-in microphone and controls** let you conveniently manage voice calls and audio content while travelling. The charger can also play files from **USB flash drives**, giving you an additional way to enjoy playlists and tracks saved on external storage.

WHAT SETS IT APART

- 20W Power Delivery USB-C port
- Wireless FM audio connection
- Dual USB-A ports
- Microphone for voice calls
- Built-in controls
- USB flash drive playback
