30W FM Car Charger with Power Delivery, One USB-C Port, Two USB-A Ports and Wireless Audio Connection

SKU: TECRFMPD30W

One accessory, two functions: charge multiple devices at the same time in your car and listen to your favourite music

30W POWER DELIVERY FOR FAST CHARGING IN YOUR CAR

The **30W FM car charger** features a **30W Power Delivery USB-C port** designed to quickly charge compatible smartphones, tablets and other devices during every journey. It is ideal for restoring power in a short time while you drive, keeping your essential accessories ready to use. Thanks to the integrated Power Delivery technology, you can safely use the USB-C port to charge different compatible devices: the power supplied is automatically adjusted to suit the connected device.

WIRELESS FM AUDIO CONNECTION FOR MUSIC AND CALLS

The **wireless FM audio connection** lets you stream music and other audio content through your car stereo by selecting a frequency between **87.5 and 108.0 MHz**. Simply plug the charger into your car's 12V socket and adjust the frequency using the control dial. It is a practical way to enjoy your favourite content, including music, podcasts and audiobooks, while travelling. The **built-in microphone** also lets you answer voice calls during your journey, while the buttons and control dial allow you to adjust the volume and manage audio playback.

DUAL USB-A PORTS, ONE USB-C PORT AND FILE PLAYBACK FROM USB FLASH DRIVES

The two **USB-A ports** and the **USB-C port** let you charge up to two devices at the same time, ensuring your essential devices are ready to use when you reach your destination. The charger can also play files from a **USB flash drive**, allowing you to listen to playlists and other content saved on external storage.
