PD 25 Watt car charger kit + USB-C USB-C cable

SKU: TECRKITTCPD25W

Start charging your USB-C devices quickly even while you're in the car

Everything you need for fast car charging

This **kit** is equipped with **charger and cable**: power your devices while on the go in your **car**, **camper**, **lorry**, **or van**.

The 25 Watt charger allows ultrafast charging even in your car

The USB-C charger is designed for **smartphones**, **tablets**, **speakers** or **wireless earphones** of many brands such as Apple, Samsung, Xiaomi, Huawei, and Oppo. You can connect devices to the **USB-C socket** for **ultra-fast charging** at **25 Watts**. The battery of a smartphone reaches 100% in 20 minutes and that of a tablet in 35 minutes (charging times are indicative and depend on the battery of the device being recharged). The charger is equipped with **Power Delivery (PD) technology** which makes it possible to transfer larger quantities of energy with maximum safety.

The 1 meter USB-C cable is convenient and functional

This charging and data transfer cable is designed for all those who have devices with **USB-C inputs**.
The cable is in fact equipped with two **USB-C** connectors that enable devices to be powered and files to be synchronised quickly and easily.**With a length of no less than 1 metre**, this cable will meet your everyday needs.
