

25W car charger - Ultra-fast charging with Power Delivery (PD)

SKU: TECRPD25W

You can charge up to two devices at the same time while travelling in your car

Your devices charge while you're driving

The **25 Watt car charger** is the ideal accessory if you want to recharge **up to 2 devices at the same time** while you are driving a car or a lorry, van, or camper. This charger can in fact charge **smartphones, tablets, e-readers, speakers, and wireless earphones** of many brands such as Apple, Samsung, Xiaomi, Huawei, and Oppo. Plug it into the **12V socket (cigarette lighter)** of your car: it will supply energy as soon as you switch it on.

The USB-C socket offers ultra-fast charging with Power Delivery

If you individually connect your device to the **USB-C socket** with your compatible cable, you will have **ultra-fast charging at 25 Watts**. The battery of a smartphone reaches 100% in 35 minutes and that of a tablet in 70 minutes (charging times are indicative and depend on the battery of the device being recharged). This socket is equipped with **Power Delivery (PD) technology** which makes it possible to transfer larger quantities of energy with maximum safety.

The USB-A socket allows fast, safe charging

By connecting your device to the **USB-A socket** you will get fast charging at **18 Watts**. Thanks to **Adaptive Fast Charge (AFC) technology**, which regulates the energy delivered according to the device being charged, the power supply will always be safe: overheating and short circuits will be just a memory.

Compact and with status LEDs

The 25 Watt car charger is **small**: you can easily carry it in a backpack or handbag. **Monitor your charging** thanks to the built-in status LED.

Key features:

- for the car
- Charges up to 2 devices simultaneously
- 1 25W USB-C port with Power Delivery technology (PD)
- 1 18W USB-A port with Adaptive Fast Charge (AFC) technology
- plugs into the cigarette lighter socket
- ultra-fast charging: smartphone charged in 35 minutes and tablet in 70
- LED status light
