

## Ultra-strong screen protector for iPhone 16/iPhone 15/iPhone 15 Pro with D3O technology

SKU: TED3OOSCRGLIP1661

### Here are all the benefits of the D3O material screen protector for your iPhone

#### THE ADVANTAGES OF THE D3O SCREEN PROTECTOR: THE GUIDE TO ULTRA-STRONG PROTECTION

Choosing this **screen protector with D3O technology** for your **iPhone 16/iPhone 15/iPhone 15 Pro** ensures optimal protection against scratches and knocks. The innovative material used in this screen protector **greatly reduces the risk of damage** to your smartphone screen. This guide will show you all the benefits of a resistant yet discreet screen protector.

#### D3O INNOVATION FOR SUPERIOR PROTECTION: HERE'S HOW IT WORKS

D3O technology represents a major advance in screen protection. This protective glass, while being **thin and almost invisible**, offers exceptional impact resistance. Thanks to its ability to **absorb and dissipate impact energy**, it minimises the risk of damage to the display. After impact, **the material returns to its original state**, guaranteeing long-lasting protection.

#### D3O CERTIFICATION: GUARANTEE OF MAXIMUM PROTECTION

The D3O certification is not only an important indicator of quality, but also ensures that the screen protector has been **created to withstand strong impacts**, effectively protecting your iPhone's display from accidental drops and knocks.

#### THIN AND TOUGH SCREEN PROTECTOR: TAKES ADVANTAGE OF THE DISPLAY

Thanks to the D3O material that replaces traditional screen protectors, this screen protector offers almost invisible protection **without altering the design or touch sensitivity of the screen**. Despite the excellent protection provided, the screen protector is distinguished by its thinness and allows **unblocking via facial recognition**.

#### WHAT DISTINGUISHES THIS PROTECTIVE GLASS:

- D3O technology: advanced, impact-resistant material that maximises screen protection
- Transparent, thin and almost invisible screen protector
- Easy to apply without leaving bubbles
- Compatible with touch functionality and facial recognition

Ultra-strong screen protector for iPhone 16/iPhone 15/iPhone 15 Pro with D3O technology  
SKU: TED3OSCRGLIP1661

## Technical data

SKU: TED3OSCRGLIP1661  
Depth: 0.7800 cm  
Height: 14.6700 cm  
Length: 7.1500 cm  
Weight: 15 g  
Camera lens protector: No  
EAN: 8018417482595  
GPSR: The product must not be used by children or by people unable to understand the potential risks., Packaging of the item subject to the "Green Dot" recycling system, The item packaging is recyclable  
Color: transparent  
Material: Tempered glass with D3O®  
Finishing/Feature: Antiscratch, Ultra-Resistant
