Mini Twin - TWS Earbuds with Charging Case, Touch Controls and Automatic Pairing

SKU: TEEARSETBTLITETWSK

Control music playback, answer calls, and activate the voice assistant with just a few taps

MUSIC AND CALLS WITH COMPLETE FREEDOM OF MOVEMENT

The **Mini Twin TWS earbuds** are designed for listening to music and managing calls with maximum freedom. Once removed from the charging case, the earbuds automatically switch on and pair instantly, allowing you to start using them right away for a practical listening experience on the go, at work, or during your free time. Their compact design makes them comfortable to wear and easy to carry everywhere. With a wireless range of up to **10 metres**, Mini Twin earbuds ensure excellent freedom of movement without compromising connection stability.

UP TO 16 HOURS OF BATTERY LIFE WITH THE CHARGING CASE

Enjoy uninterrupted music playback for up to **4 consecutive hours**; once the earbuds run out of power, simply place them back inside the charging case and they will be fully recharged in approximately **1.5 hours**. Thanks to the charging case, total battery life reaches up to **16 hours**, making these earbuds perfect for accompanying you throughout the day during work calls, music listening sessions, or while watching your favourite content. You can also recharge the case through the USB-C port using the cable included in the package.

MULTIFUNCTION TOUCH CONTROLS

Manage music playback and calls intuitively thanks to the touch controls: with just a few simple taps on the earbuds, you can pause a song, skip tracks, or handle incoming calls. You can also activate your voice assistant directly, without taking your smartphone out of your pocket.
