

IPX4 water-resistant TWS earphones with touch controls, a charging case and voice assistant features, supplied with a charging cable and rubber tips

SKU: TEEARTWSBUDDYBTK

These Twin Buddy are an everyday essential: find your perfect fit with the rubber tips and charge them in a flash

TWS WATER-RESISTANT TWIN BUDDY EARPHONES: YOUR NEW BEST FRIENDS

The **TWS Twin Buddy earphones** are perfect for music, calls, work calls and more. They are easy to pair with iPhones, Android phones, tablets and PCs with wireless connectivity. They can withstand splashes of water and are provided with a range of rubber tips for improved comfort and a snug fit.

TWS EARPHONE FEATURES: MUSIC, CALLS, VOICE ASSISTANTS

The Twin Buddy earphones automatically pair with each other as soon as they are removed from the charging case. They are **IPX4** certified, which means they can withstand splashes of water: perfect for getting caught in the rain. They have **touch controls** to manage music and calls; it is also possible to **activate voice assistants**, including both Siri and Google Assistant.

CHARGING CASE: CHARGE YOUR EARPHONES ON THE GO

When fully charged, the charging case can **recharge the earphones four times**. When the case runs out of power, you can charge it using the **USB-C cable** provided. The earphones are guaranteed to last **4 hours on a single charge**.

GUARANTEED COMFORT: FIND YOUR PERFECT FIT WITH THE RUBBER TIPS

Inside the packaging, you will find **3 pairs of rubber tips** in different sizes: S, M, L. Choose the ideal solution to achieve the best fit and prevent them from falling out. The **in-ear design** helps to block out external ambient noise so that you can clearly hear your music or call.
