

Nova Beat wireless headphones with ANC technology

SKU: TEEARTWSNOVABEATK

Crystal clear audio, smart connection and maximum concentration wherever you are

ACTIVE NOISE CANCELLATION FOR FULL IMMERSION

TWS **Nova Beat** headphones are equipped with **ANC technology** (Active Noise Cancelling) which reduces background noise by up to **17 dB**. Perfect for cutting yourself off from travel chaos, taking calls or enjoying intense music sessions. Thanks to the **4 built-in microphones**, each voice is clear and free from interference.

UP TO 16 HOURS OF BATTERY LIFE AND FAST CHARGING

With a battery life of **4 hours** for the headphones, plus another **12 hours thanks to the charging case**, you can enjoy your music all day long. Everything is easily recharged via a **USB-C port**, for smart, efficient energy management wherever you are.

SMART CONNECTION AND ADVANCED MODES

With the **multipoint** connection, you can connect two devices at the same time (e.g. your laptop and smartphone). The **Hall Switch** enables instant pairing when the case is open, while the **transparency function** allows you to hear what's going on around you without removing the headphones. Activate the **voice assistant** in an instant to manage music, calls and much more.

KEY FEATURES

- Wireless headphones with ANC
- 16 hours total battery life
- 4 microphones for clean audio
- Multipoint connection
- Voice activation and transparency mode
- Fast charging via USB-C
