

TWS Twin Spike earphones with charging case

SKU: TEEARTWSSPIKEK

The everyday earphones that are also ideal for sports and the gym

Instant connection thanks to the auto-pairing system

After connecting them for the first time, simply open the case and the **Spike Twin TWS earphones** will automatically connect to your smartphone in a flash, without touching anything, thanks to the Hall Switch system. Whether you're at the gym, in the park or rushing to work, you can immediately start listening to music or answering calls thanks to the **fast and stable wireless connection**.

Intuitive touch controls for music and calls

Manage everything with a simple touch. Thanks to the **integrated touch controls**, you can change songs, pause or answer calls without having to take your phone out of your pocket. Ideal while walking or driving, they offer **smart and secure management** in everyday situations.

Up to 16 hours of playback with the case

Does your day start early and end late? No problem: with **4 hours of battery life on a single charge** and the **200 mAh charging case**, you can enjoy up to 16 hours of total use. Embark on music marathons, conference calls, or long train journeys without ever running out of power.
