

## Twin Spin 360° - TWS earbuds with 360° swivel case

SKU: TEEARTWSSPINBTW

### Wireless music and calls

#### LONG-LASTING CALLS AND MUSIC WIRELESSLY

These **Twin Spin 360° earbuds** are ideal for **wireless phone calls and music**. Connect them to your **Apple, Samsung, Xiaomi, Huawei, Oppo and other phone, tablet or laptop brands** wirelessly. After connecting the first time, they automatically connect whenever you use them.

The **True Wireless Stereo (TWS) technology** has another benefit: the earbuds turn on by themselves whenever you take them out of their case and instantly pair with each other.

They have a **10 metre range**, ensuring a steady signal even when you're away from your device. Complete music and phone call freedom.

#### POCKET-SIZED DESIGN

The Twin Spin 360° are remarkably practical and compact. The **earbuds** are very small, making them more comfortable to wear. The **charging case** also features a **360° swivel design** to **protect your earbuds** and allowing a **dramatic reduction in size**. Just pop it in your trouser or jacket pocket.

#### SIMPLE AND USER-FRIENDLY CHARGING THANKS TO THE CASE AND BUILT-IN LED

The **360 mAh case** has an additional feature: when the **earbuds run out of battery**, put them back in the case and they'll be **ready to use again within 1.5 hours**. When the case itself is flat, simply charge it by connecting it to a power source such as a power bank or mains charger using the **USB - USB-C cable included**.

Look at the **LED light** to check the charging status.

#### HD MICROPHONE AND NOISE FILTRATION SYSTEM

The **Twin Spin 360°** feature a **hi-res built-in microphone** for crystal-clear communication at all times. Plus, the **noise filtration system** reduces ambient sound.

#### MANAGE MUSIC AND CALLS FROM YOUR EARBUDS THEMSELVES USING TOUCH CONTROLS

There are **touch buttons** on the earbuds themselves, allowing you to **manage music and calls** without touching the connected device. Answer, end or reject calls and play/pause or change tracks, all with total ease.

You can even activate your Apple or Android **voice assistant** by quickly double tapping one of the buttons.
