

Twin Space - TWS wireless earphones with gaming function

SKU: TEEARTWSUFOBTK

Perfect for listening to music and playing your favourite video games

YOU DON'T NEED WIRES TO CONNECT THEM TO YOUR DEVICES

The **Twin Space earphones** offer ideal performance for music, calls and gaming. Easily connect them to your **smartphone, tablet or console** in **wireless** mode and move around freely.

True Wireless Stereo (TWS) technology is extremely practical: these earbuds **switch on** and **pair** with each other **automatically** as soon as you take them out of their charging case.

The **operating range of 15 metres** ensures signal stability even at a distance from the connected device.

NUMEROUS FUNCTIONS WITH ONE TAP, THANKS TO TOUCH CONTROLS

The **touch controls** placed on both earphones allow you to **activate many commands directly from the headphones** without touching the smartphone.

With the Twin Spaces, you can play/pause a song, answer/hang up/reject calls, redial the last number and change track.

By holding down one of the two buttons you can also activate the **Apple or Android voice assistant**.

THE GAMING FUNCTION IMPROVES PERFORMANCE

Twin Space has been designed to meet the needs of gamers. In fact, by tapping one of the touch controls three times, you will activate the **gaming mode** that **will perfectly synchronize the audio with the video**. React in real time to any situation whilst gaming.

LONG-LASTING AND EASY TO CHARGE

Listen to music and make calls **for up to 6 consecutive hours** then, when the **earphones need charging**, replace them in the **300mAh charging case**: they will be **ready for use once more after 2 hours**.

In the event the **case** is exhausted, connect it to an energy source with the **USB — USB-C cable included**.

PREMIUM DESIGN WITH LED AND HEADBANDS

The **modern design** of the earphones and base gives the Twin Space a stylish appearance. The **Integrated LEDs** in the charging case, moreover, make it a must-have accessory for gaming enthusiasts.

Comfort is guaranteed, thanks to the **rubber pads of different sizes** and the **headbands** included.
