

Track My Tag locator

SKU: TEFINDBTAPGOP

Find lost items in seconds, wherever you are

Compatible with Apple and Android

Track My Tag is the **universal locator** that works with **Apple Find My and Android Find Hub**. Whether you have an iPhone or an Android smartphone, you can **locate your keys, backpack or suitcase** directly from the app. Simple to set up and ready for immediate use.

Sound alarm and precise tracking

Equipped with a **built-in 90-100 dB alarm**, Track My Tag helps you find what you have lost right away. Just one click on the app to make the tracker sound, useful at home, in the office or on the go. With a **range of up to 50 meters**, everything that matters is always under control.

Compact, lightweight and ready to use immediately

With a weight of only **25 grams** and a slim design, you can easily attach it to your keychain or put it in a bag pocket. The **CR5032 battery is included** and replaceable.

Outdoor resistance with IP65 certification

The device is **IP65-certified**, which means it is resistant to dust and water splashes. This also **makes it perfect for those who travel or spend a lot of time outdoors**, as you won't have to worry about damage caused by the outdoor environment.
