Ultra-slim Dual item locator compatible with Apple Find My and Google Find Hub

SKU: TEFINDCARDAPGOK

Find your wallet, luggage, and bags easily and safely, no matter where you are!

Why buy the Track My Card tracker?
This **ultra-slim location device works** as a **universal tracker** with **Apple Find My and Android Find Hub**. Whether you have an iPhone or an Android smartphone, you can **locate your keys, rucksack or suitcase** directly from the app. Simple to set up and ready for immediate use.**movement**.

Wireless charging
This object locator contains a 170 mAh lithium battery that can be **charged wirelessly**. When the battery runs out, simply place the accessory on a charging base with at least 3 W of power to immediately start recharging. **No need to buy replacement batteries**.

Ultra-thin design for maximum convenience
With its compact and lightweight design, this device fits easily into any space without adding bulk. An ideal choice to slide into **wallets, rucksacks or luggage**, it offers the peace of mind of always knowing where your belongings are.

Loud alarm audible up to 50 metres
Thanks to the loud alarm, **audible up to 50 metres away**, you will never have to waste time searching through your things. Whether you have lost your wallet at home or your bag in a crowded place, **you will be able to locate them quickly** thanks to the clear and powerful sound.

IP65-certified resistance to external factors
The device has been awarded **IP65 certification**, which means it is resistant to dust and splashes of water. It is **therefore perfect for people who travel or spend a lot of time outdoors**, with no risk of any damage from the environment.

Always keep your items safe and easily traceable with this reliable and practical locator!
