Ultra slim object locator compatible with Apple Find My

SKU: TEFINDCARDAPK

Find wallets, luggage and bags with ease and security, wherever you are!

Why buy the Track My Card tracker
This **ultra slim tracking device** allows you to track your personal belongings easily and securely thanks to its compatibility with the **Apple Where's App that connects to the Find My nework**. So you have control over your most precious possessions, such as wallets, luggage, backpacks or bags: Track My Card is the perfect accessory **for you who are often on the move**.

Wireless Recharging
This object tracker has a 135 mAh lithium battery inside that can be **recharged wirelessly**. When the power is depleted, simply place the accessory on a charging pad with at least 3W of power and it will immediately start charging. **No more batteries to replace**.

Ultra-slim design for maximum convenience
With its compact and lightweight design, this device fits easily into any space without adding bulk. Ideal for placing inside **wallets, backpacks or luggage**, it will give you the peace of mind of always knowing where your items are.

Powerful audible alarm up to 50 metres
Thanks to the audible alarm **audible up to a distance of 50 metres**, you no longer have to waste time searching through your belongings. Whether you have misplaced your wallet at home or your purse in a crowded place, you will be able **to locate them quickly** thanks to a clear and powerful sound.

Outdoor resistance with IP66 certification
The device is **IP66-certified**, which means it is resistant to dust and water splashes. This also **makes it perfect for those who travel or spend a lot of time outdoors**, as you won't have to worry about damage caused by the outdoor environment.

Always keep your belongings safe and easily traceable with this reliable and practical locator!

What makes it stand out:

- Perfect for frequent travellers: ideal for inserting into wallets, luggage, backpacks and bags
- Wirelessly rechargeable battery, no more batteries to replace
- Compatible with Apple's Where's app
- IP66 certified: dust- and splash-proof
- 90-110 decibel volume audible up to 50 metres away
