It is the ideal solution for anyone looking for an accessory that combines minimalist design, practicality and smart tracking features.

COMPATIBLE WITH APPLE FIND MY AND GOOGLE FIND HUB

The **Track My Wallet tracker** is compatible with both **Apple Find My** and **Google Find Hub**, allowing you to locate your card holder directly from your iPhone or Android smartphone. Thanks to its **50-metre range**, your valuables are always easy to track: the tracker's location is constantly updated and can be viewed directly in the Apple Find My or Google Find Hub app.

When the tracker is nearby, you can quickly locate it by activating the integrated sound alert directly from your tracking app. The replaceable **CR2032 battery** is already included, so you can start using the tracker immediately after pairing it.

CARDS, DOCUMENTS AND CASH ALWAYS ORGANISED AND ACCESSIBLE

The card holder features a **slot with capacity for up to 2 cards**, an internal banknote pocket with a secure **locking clip** to keep cash safely inside the wallet, plus an additional anti-drop card compartment designed to prevent cards from slipping out in case of accidental falls: your cards will remain securely in place at all times.
