D3O Full Protection Kit for iPhone 16 Pro

SKU: TEKITD3OIP1661P

Cover, Screen Glass and Camera Glass

SCREEN PROTECTION WITH D30 TECHNOLOGY

Picture the scene: you accidentally drop your iPhone 16 Pro while slipping it into your pocket. With the **D3O screen protector**, there's no need to panic: the screen remains **intact thanks to the advanced material**, designed to **absorb and dissipate impacts**. The ultra-thin glass does not alter the design of the phone and **maintains perfect touch sensitivity**, without affecting the Face ID function. It is the ideal choice for anyone in search of **discreet yet powerful protection**.

KEEP YOUR CAMERA CLEAR AND SAFE

When you're travelling or attending an important event, every photo counts. The **D3O camera glass** protects your iPhone camera in even the most challenging situations. The **tempered glass** with D3O technology **ensures clear images** while simultaneously **protecting the camera module from scratches and impacts**. It is easy to apply thanks to the cloths included in the package, guaranteeing perfect results on the first try.

D3O CASE: ELEGANT IMPACT PROTECTION

You're out and about all day, between the office, the gym and happy hour. With the **D3O transparent cover**, your iPhone 16 Pro is **protected in style**. The **D3O smart material**, soft to the touch but designed to **harden on impact**, acts as **a powerful shield, even on the edges and buttons**. All this in one **lightweight and thin design**: perfect for anyone in search of **protection and practicality** in every situation.
