Wireless microphone with USB-C receiver

SKU: TEKITMICCASEBTK

Clear recordings and freedom of movement, no matter where you are

CLEAR SOUND WITH NO BACKGROUND NOISE

Thanks to the **noise reduction technology** and stable audio transmission, this **wireless microphone** ensures crystal clear recordings, even in crowded or outdoor settings. Whether you're vlogging around town or recording a podcast while out for a walk, the sound quality remains impeccable and free from interference.

15 HOURS OF BATTERY LIFE WITH CHARGING CASE

The **case with 300 mAh battery** can charge the microphones up to three times, offering **15 hours of total battery life**. Perfect for creators on the go, it can keep up with you day: you are free to record interviews, create social media content and live stream without worrying about the battery level.

PLUG & PLAY FOR ANDROID AND IPHONE

Connect the **USB-C receiver to your smartphone**, turn on your microphones and start recording right away. No apps, no complicated pairing: the experience is **plug & play** , designed for people who want professional results without wasting time. Ideal for athletes, personal trainers, or content creators who are always on the go.
