

Transparent foldable hard cover compatible with magnetic wireless charging for iPhone Ultra

SKU: TELIGMAGIPFOLD

The cover you need for your iPhone Ultra, with side buttons and camera protection

CASE YOUR Fold Ultra, PROTECTING IT FROM SCRATCHES AND BUMPS

The cover equipped with a magnetic attachment perfectly encloses your iPhone Ultra and protects it from bumps and scratches. It is made of a material (TPU+PMMA) that is both durable and pleasant to touch. The camera is encased in an edge that sits higher than the camera itself, protecting it without preventing you from taking high-quality photos and videos.

FOLDABLE DESIGN

This case is designed to fit your smartphone perfectly without preventing it from opening and closing: thanks to its foldable design, you can easily open and close your iPhone Ultra even after applying the case.

EVEN PROTECTS THE SIDE BUTTONS

The side buttons on your iPhone Ultra are covered and protected, but still easy to use for all your everyday tasks.

THE MAGNETIC ATTACHMENT IS COMPATIBLE WITH MAGNETIC CHARGING

Thanks to the handy magnetic attachment **compatible with magnetic wireless charging**, you can charge your phone without removing the cover. When a magnetic wireless charger is positioned by the white symbol, it will attach magnetically and charge your phone quickly and easily.

KEY FEATURES:

- Magnetic attachment for wireless charging without removing the cover
- material: TPU+PMMA
- camera hole
- protects the side buttons
