Wireless microphone with receiver and clip

SKU: TEMICTYCBTK

A small microphone that fits comfortably on your shirt collar

BREAK FREE FROM WIRES

This **microphone** is designed to connect **wirelessly** to your **smartphone**, allowing you to **record** or **talk live**. Simply connect the **receiver**, equipped with a **USB-C** connector, to an Android phone with a compatible port or to an iPhone 15. Then turn on the microphone: it will connect to the receiver, allowing the mobile phone to record audio signals emitted up to **20 metres away** from the device.

IDEAL FOR ANY TYPE OF CONTENT

This device is suitable for interviews, for social media videos, or for YouTubers. It is a practical choice to record content with maximum convenience. For example, it is perfect for creating cooking or music videos where you constantly have your hands full: it comes with a handy **clip** to attach it firmly to your shirt collar or wherever it is most comfortable.

NOISE REDUCTION

It can even be used in settings that are not perfectly silent. The microphone can filter out and reduce external noise, ensuring your voice is always recorded in the best possible quality.

RECEIVER DESIGNED TO CHARGE YOUR SMARTPHONE

The microphone offers **5 consecutive hours** of recording. When it runs out of battery, you can easily recharge it with the included **USB-A - USB-C cable**, and it will be ready to use again in **1 hour**. While in use, the receiver can also charge your smartphone: simply connect it via a cable with a USB-C connector. **No need to stop recording to charge your mobile**.
