

Molecular Glass for iPhone 13 Pro Max

SKU: TEMOLEGLASIP1367

Everlasting Screen Protector, hybrid protection

NEVER NEEDS CHANGING

Glass for life: this **Molecular** screen protector is the accessory that will protect your **iPhone 13 Pro Max** throughout its life. You'll never change the glass protection on your device again: Molecular technology is **super strong and ultra durable**.

SUPERIOR HYBRID PROTECTION

Molecular Glass is composed of two materials: **PET and Nano Fibre**. This combination offers unique characteristics: the screen protector is **four times stronger and more elastic** than normal protective glass. Knocks and scratches are no longer a problem.

EASY APPLICATION

Included in the package is an **applicator** that will allow you to perfectly attach Molecular Glass to your device in a few moments. **The smooth gliding of your finger on the screen** will allow you to use the display as if the Glass was not there.

FEATURES

- Lasts for the life of the device
- Material: PET + Nano Fibre
- Anti-shock and anti-scratch
- Smooth touch
- Applicator included
