

## Precision Magnetic Screwdriver Set 106 in 1

SKU: TESCROWSET106K

**Complete solution for professionals and hobbyists: everything you need to work on any electronic device**

### ERGONOMIC NON-SLIP HANDLE

For a delicate repair on a **laptop**, a console or a **tablet**, a precise and stable grip is required. The ergonomic handle of this set has been designed to offer **comfort even during prolonged use**, ensuring a firm grip thanks to the **non-slip surface**. Ideal for anyone looking for perfect control in every intervention.

### MAGNETIC TIPS AND MAGNETISER INCLUDED

With the **precision magnetic tips**, you will no longer need to fear losing small screws or components during a repair. Furthermore, thanks to the **mini magnetiser included**, you can enhance or neutralise the magnetism of the tips according to your needs. Perfect for **electronic maintenance** jobs where every detail counts.

### RIGID AND FLEXIBLE RODS FOR EVERY ANGLE

Repairing devices with hard-to-reach screws is no longer a problem. The set includes both a **rigid** extension module and a **flexible** extension module, ideal for tight corners or hidden components. Whether it's a compact smartphone or a complex motherboard, you'll always have the right accessory at hand.

### KEY FEATURES

- 106 pieces in just one kit
- High-precision magnetic tips
- Professional ergonomic handle
- Two rods (rigid and flexible)
- Compatible with small devices
- Magnetiser included
