Precision Screwdriver Set 25 in 1

SKU: TESCREWSET25PK

The ideal pocket kit for smartphones, laptops and small devices.

STEEL BITS

Each bit is made of **high strength steel**, designed to last a long time even with intensive use. Perfect for who anyone who carries out **electronic repairs** on **smartphones, tablets or small devices**, ensuring maximum precision even with the most delicate components.

MAGNETIC BITS FOR A SECURE GRIP

With the **precision magnetic bits**, the screws will not slip and remain firmly anchored to the bit during use. Ideal for working on **small electronic devices** where losing a screw can compromise the entire task.

TELESCOPIC EXTENSION

The intelligent design with **extendable handle** allows you to reach even the most remote screws. A compact but highly functional solution for people who need **flexibility and practicality** in every intervention.
