25 in 1 Repair Kit

SKU: TESCREWSET25

All the tools you need to repair laptops, smartphones, tablets and electronic devices with maximum precision.

ERGONOMIC NON-SLIP HANDLE

Every repair requires precision and control. The screwdriver's **ergonomic** handle ensures a good **comfortable and safe grip**, even during the longest work sessions. Whether you're **dismantling a laptop** or **repairing a smartphone screen**, the non-slip form offers you stability and comfort without tiring your hand.

MAGNETIC TIPS AND HIGH-RESISTANCE STEEL

Thanks to the **magnetic tips** in **CR-V steel**, you enjoy maximum precision even with the smallest components. The screws will never fall out when you remove them or replace them. This makes the kit perfect for **delicate repairs** such as motherboards, cameras or smartwatches, reducing the risk of component loss.

ACCESSORIES FOR EVERY SITUATION

The kit includes everything needed for every type of intervention: from **precision pliers** to **screen suction cups**, as well as **body-opening levers** and **extension for difficult points**. Ideal for technicians, electronics enthusiasts and anyone who wants to **repair their own devices**, saving time and money.
