# 33 in 1 Precision Screwdriver Set with aluminium handle

SKU: TESCREWSET33K

## Compact, durable and ideal for the maintenance of small electronic devices.

### HIGH-QUALITY STEEL BITS

When you have to disassemble a **laptop, smartphone or tablet**, every screw counts. This set includes **precision bits in high-strength steel**, designed to last over time and maintain their shape even with intensive use.

### MAGNETIC BITS

Thanks to the **integrated magnetic bits**, each screw remains firmly in the insert, making it easier to work in tight spaces or on fragile components. Ideal for **fast, error-free repairs** on small electronic devices.

### ALUMINIUM HANDLE

The body of the screwdriver is made of **light, resistant aluminium**, with an elegant and functional finish. Compact, practical and perfect for people who work on the move.
