

48 in 1 screwdriver kit

SKU: TESCREWSET48

Complete solution for professionals and hobbyists: everything you need to work on any electronic device

ERGONOMIC NON-SLIP HANDLE

A stable grip is essential when repairing a **telephone** or opening a **laptop**. The handle of this set is designed with a **ergonomic non-slip shape** which ensures a secure grip and **comfort during use**, even during the longest work sessions. Perfect for hobbyists and professionals who want maximum precision without fatigue.

PRECISE MAGNETIC BITS

The **magnetic bits** allow you to easily hold smaller screws to avoid dropping them or accidents during repairs. Ideal for working on **smartphones, tablets, consoles, laptops** and other electronic devices. Magnetism guarantees **stability and safety** in the extraction or insertion of each screw.

EXTENSION AND OTHER TOOLS

Screws are often located in hard-to-reach places. Thanks to the **universal extendable rod**, you can easily access even the most remote screws. With the help of the **triangle opening tools** and of the **pliers included**, you have everything you need to tackle any type of repair with precision and without risk.
