Precision Screwdriver Set 4-in-1

SKU: TESCREWSET4K

The right tools, always at hand

NON-SLIP HANDLE

This set is designed to ensure **maximum control and stability** during precision operations. Every screwdriver has an **ergonomic non-slip handle**, which reduces hand fatigue and ensures a firm grip even during prolonged use. Ideal for **repairs on smartphones, tablets and small devices**.

ROTATING CAP FOR GREATER PRECISION

The **rotating cap** on the top allows for smooth and constant control during rotation, allowing you to work precisely with one hand. Perfect for interventions that require **millimetric precision**, like the removal of microcomponent screws.

STURDY STEEL TIPS AND COLOUR CODING

The tips are made of **high-quality steel** to ensure durability and resistance. Each screwdriver is **colour coded** on the end to easily identify the tip type, making work faster and more organised even in professional environments.
