3-in-1 Precision Tweezers Set

SKU: TESCREWSETTWEEZERSK

Anti-static, durable and perfect for electronics and small components

PRECISION AND SAFETY FOR EVERY TASK

Whether you are working on a **motherboard, a delicate connector or a chip**, precision tweezers are indispensable tools. This 3-piece set is designed to ensure **easy handling**, allowing you to **grasp, move, or align electronic components** in complete safety.

ANTISTATIC AND HEAT-RESISTANT MATERIALS

Made from heat-resistant and **antistatic carbon fibre**, these tweezers protect components from **electrostatic discharge damage**. An essential accessory for anyone working on integrated circuits, batteries or **sensitive electronic devices**.

DIFFERENT SHAPES FOR EVERY USE

The set includes three different shapes to suit every situation: one for **large components**, a curved pair for **precise movements**, and one for **microcomponents**.

KEY FEATURES

- 3 tweezer shapes
- Safe and anti-static material
- Ideal for microelectronics
- Suitable for precision work
- Lightweight and heat-resistant
- Perfect for small devices

INCLUDES

- 1 thick pair of tweezers for large components
- 1 curved pair of tweezers for precise movements
- 1 thin pair of tweezers for small components

3-in-1 Precision Tweezers Set
