

Full Cover Glass Screen Protector for 13/13 Pro/14/16E

Protective film in tempered glass with black silicone edges for iPhone 13/13 Pro/14/16E

The Full Cover glass screen protector is the perfect accessory to protect your iPhone 13/13 Pro/14/16E from minor bumps and scratches.

This protective film made of tempered glass adheres perfectly to the display of your smartphone while leaving apertures free for the camera, sensors and microphone.

The black silicone edges and rounded corners allow this screen protector to adhere perfectly to your device. The screen will thus be protected from impacts and dust infiltration, without losing the touch functions of the screen.

The application of this glass screen protector is very simple: use the **two cloths** included in the package (one wet and the other dry) to

clean and dry the screen. Then just attach the protective film to your smartphone paying close attention to the corners.

Features:

- · Material: tempered glass and silicone
- Rounded corners
- Black silicone edges for total display protection
- · Resistant to minor impacts and scratches
