# Swivel LED ring with table clip

SKU: TESELFIESPOTRING

## The LED ring designed for your selfies, video tutorials and live streams that can be easily fixed on shelves, desks and tables

**Use it to create professional videos and photos**

To create professional photos and videos, you need adjustable lighting suitable for the surroundings. For this reason, the **swivel LED ring** is a must-have accessory for your **selfies, video tutorials or live-streaming** on your favourite social networks like Instagram, Facebook, YouTube, TikTok. The **9 cm diameter LED ring** offers **10 levels of brightness, is** adjustable and has **3 light options** (warm, cold and natural): unleash your creativity. The adjustable clamps have an opening of up to 8.5 cm, making it **suitable for most smartphones of** Apple, Samsung, Xiaomi, Huawei, Oppo and many other brands.

**With the swivel arms, no angle or direction is impossible**

Need special angles for your creations? No problem, the **two swivel arms** allow you to position both the LED ring and the smartphone holder as desired, giving you maximum flexibility to experiment with different atmospheres and light combinations.

**Thanks to the clip you can attach it to a table, desk or shelf: ideal for video tutorials and live-streaming**

This accessory is designed for those who like to create photos and videos in front of a table, windowsill, desk or near a shelf or door, and the **clip-on clamp** secures it firmly in place. Shoot cooking or make-up video tutorials easily and professionally.

**Practical integrated remote control**

The swivel LED ring is fitted with a **180 cm wire** with a **USB socket**. The LED spotlight is powered by a power source such as a mains charger or PC. There is also a **remote control** on the wire that allows you to adjust the light intensity, choose the type of light that best suits your room, and switch the LED on/off.
