

Multicolour LED ring with tripod for photos and videos

SKU: TESELFIRINGCLIP10RGB

With the LED ring you will always have the best light for your videos and photos

FIND THE IDEAL COLOUR COMBINATION FOR EACH OF YOUR VIDEOS

The **Multicolour LED ring with tripod for photos and videos** is perfect for giving your creations a special touch. Connect the **USB cable** to a power source and, through the **built-in remote control**, choose the colour scheme that best suits your video or photo. The **"RGB"** button allows you to **change the colour** while the **"Model"** button allows you to decide the **type of light**: warm, white or cold. Video tutorials, live-streaming and shoots will always be extremely immersive.

THE IDEAL ATMOSPHERE IS AT YOUR FINGERTIPS THANKS TO THE ADJUSTABLE BRIGHTNESS

The **Multicolour LED ring with tripod for photos and videos** offers **10 levels of brightness**. Search for the one that best suits your setting with the "+" and "-" keys. This way, you'll always have the right amount of light whether you're inside a room or in an open space such as a terrace or porch.

SWIVEL THE RING AS DESIRED AND FIX YOUR SMARTPHONE EASILY IN PLACE

The LED ring **can be rotated 360°** giving you all the convenience you need when creating videos and photos. The **clip** present in the middle of the ring also allows you to **fix your smartphone** stably and **position it vertically or horizontally**.

DISTINCTIVE FEATURES:

- 180 cm long integrated cable with USB connector and remote control for adjusting colour and light intensity
- 3 types of light: white, cool and warm
- it can change colour with different combinations
- 10 brightness levels
- rotates 360°
- clip to fix and swivel your smartphone (vertically or horizontally)
- 25 cm (10 inch) diameter
