

Silicone cover with microfibre interior for Samsung Z Fold 8 Ultra

SKU: TESILCOVSAZFOLD8K

Find out how to protect your foldable smartphone without sacrificing style

GUIDE TO SILICONE CASE FOR SAMSUNG Z FOLD 8 ULTRA

Discover **Polo Flip Case**, the custom-made case designed to enclose and protect your **Samsung Z Fold 8 Ultra** as well as possible. Made with smartphone flexibility and security in mind, this **silicone cover** consists of two pieces that fit perfectly around the foldable design of your device, providing total protection whether open or closed.

WHY CHOOSE THIS FOLDABLE SMARTPHONE CASE

The silicone outer surface provides a secure and comfortable grip, reducing the risk of your mobile phone accidentally slipping, while the **microfibre-coated interior** protects your smartphone from scratches and impacts. The **holes for the camera** ensure that your photos are always sharp and clear, without removing the case.

The Polo Flip Case is not just a case, but a stylish companion for your folding device. Thanks to the slim design, the smartphone **will not be a nuisance in your pocket** and you can open and close it easily even with a cover attached.

FEATURES OF THIS COVER:

- Two-piece housing for opening and closing
- Silicone surface
- Microfibre lining
- Camera holes
