

Foldable soft-touch silicone magnetic case for iPhone Duo, MagSafe compatible

SKU: TESILMAGIPFOLDK

Soft silicone exterior, microfiber lining and foldable design for complete protection

FOLDABLE MAGNETIC CASE FOR iPhone Duo

The **Polo Mag Case** is designed for **iPhone Duo** and provides everyday protection without limiting the use of your foldable smartphone. Its dedicated foldable design lets you open and close your phone without removing the case, keeping your device protected, practical and always ready to use.

MAGSAFE COMPATIBLE AND WIRELESS CHARGING

The case features **MagSafe compatibility** for easy attachment to compatible magnetic accessories such as charging stands, power banks or magnetic card holders. It also supports **magnetic wireless charging**, allowing you to charge your iPhone Duo without removing the case for convenient use at home, in the office or while travelling.

SOFT-TOUCH SILICONE WITH MICROFIBER LINING

Made from **TPU, soft-touch silicone and microfiber**, the Polo Mag Case combines protection, practicality and minimalist style. The soft velvet-touch surface feels pleasant in the hand, while the microfiber lining helps protect your phone from marks caused by everyday contact.
