

Single protective lenses for camera

SKU: TESINCAMGLIPSE25

Precise, uncluttered camera protection for your iPhone 16e

Protects any camera on your smartphone

Single camera lens protectors are ideal for protecting each lens on your **iPhone 16e**. Your smartphone camera is perfectly **protected from bumps and scratches**.

Easy to attach

The lenses are easy to fit thanks to the **accessories supplied**. Clean the camera well with the **moist cloth** and the **dry cloth**. This will avoid any residue being left during the application. Next, use the **applicator** to quickly and easily apply the protective lenses over the lenses. Now you can take photos and videos **without glare**, but with added security!

Perfectly compatible with the cover

The protective lenses are strong, but **small and compact**: you'll forget they're there. Even if you already have a soft or folding cover, **it will not be hampered** by these protective lenses.
