Wireless Mono Headset with charging base

SKU: TESMMONOHEADBTK

This mono headset with Multipoint technology is ideal for calls, conferences or online classes

WIRELESS MONO HEADSET

With this **mono** headset from our Workline range, calls, webinars and online classes will be completely hassle-free and **cable free**. Take advantage of the wireless feature on your Samsung, Apple, Oppo, Huawei or Xiaomi **smartphone, laptop or tablet**: simply pair the headset through the settings on your device to start using it straight away. Thanks to its **10 metre operating range**, you can walk away from your device without worrying about interrupting communication.

MULTIPOINT

Multipoint technology steps your time at the office up a gear. You can connect **to two devices at once** so you can, for instance, stay connected to both your PC and phone without having to disconnect every time you receive a call.

CHARGING STATION INCLUDED

This mono headset provides **20 hours of use** and **200 hours on standby**. When the battery is flat, place it in its handy charging station which **recharges it 100% in just 2 hours**.

LIGHT AND COMFORTABLE

Its **adjustable mic boom and padded earcup** ensure you are comfortable even through long days of work and study. Its **swivel microphone** ensures smooth communication and can be set to **mute** at any time if needed.

CONTROLS

Using the **buttons on the earcup** you can **control volume** from the headset itself. You can also **turn on the voice-activated assistant**, so you can request calls hands-free.
