

Car holder with articulated arm and suction cup

SKU: TESUPCRUSSLIMCARB

The magnetic holder that attaches easily to your windshield or dashboard

STABILISE YOUR SMARTPHONE MAGNETICALLY

This **car holder with articulated arm** is the solution you have been looking for to keep your smartphone stable and under control in the car.

The **magnetic surface** attracts the phone thanks to the application of one of the **two magnetic plates included** in the package. The **round magnet** comes with **adhesive**: attach it **directly to the smartphone**. The **rectangular magnet**, on the other hand, can be placed **inside the cover**.

Dock and remove your **Apple, Samsung, Xiaomi, Huawei, Oppo and other brands** mobile phone quickly with one hand.

THE ARM IS ARTICULATED AND THE MAGNETIC SURFACE IS ADJUSTABLE THROUGH 360 DEGREES

The holder is equipped with a **33cm** arm that is easily **adjustable**: position your smartphone in the way that is most comfortable for you.

The **magnetic surface** can also be **tilted** and **rotated through 360°**, even allowing you to position your **smartphone horizontally**. Following GPS directions, answering calls or changing tracks during your car journeys has never been easier or more convenient.

THE SUCTION CUP ALLOWS IT TO BE ATTACHED TO THE WINDSCREEN OR DASHBOARD

The **suction cup** allows the holder to be attached to both the **windshield** and the **dashboard**. This function provides additional convenience: you can place the holder virtually anywhere in the passenger compartment to keep your smartphone in the right position.

Use the **safety pad** for an extremely secure **hold**.

DISTINCTIVE FEATURES:

- fix the smartphone magnetically
- 360° magnetic surface that can be swivelled/tilted
- it can be positioned on the dashboard and windshield thanks to the suction cup
- articulated arm that allows you to easily angle the phone
- safety lever for a secure hold

INCLUDED WITH THE PRODUCT:

- 1 car holder
- 2 magnetic plates
